One of Season 4's not-so-scary creatures—the Puckwudgie, a woodland sprite that's playful and friendly when it's not under a curse.

Chris Reel/The CW -- © 2022 The CW Network, LLC. All Rights Reserved.

Among the many other spine-chilling supernatural creatures the Super Squad has faced are:

A Dragon: Alaric, Rafael (**Peyton 'Alex' Smith**), and Hope encounter a girl in the woods who breathes fire. When she later demands a knife from Landon, she angrily transforms into the form of a dragon.

Krampus: In a violent Christmas at the Salvatore School, the characters must fight a monster who chooses antagonism over holiday cheer. In defeating the creature, they save Santa, who it had trapped.

The Headless Horseman: The monster takes Landon hostage and brings him to Triad. It also steals a supernatural object from Landon to give Malivore, but fortunately Hope is able to stop it and save her boyfriend just in time.

A Unicorn: The characters soon discover that the beautiful animal is not as innocent as it seems: It harbors a parasite that controls minds. When students are infected during a school-wide talent show, Hope, Landon, Alaric, and Dorian must undo the damage.
